 **Molly Mae Fundraiser Day !** 

Saturday, May 6, 2017

10:00 am- 2:00pm

St. Clement of Rome School

Food, Drinks, Music, and Games

All Donations will go to **Molly Mae LeBlanc**, (Mrs. Mary Eileen LeBlanc's granddaughter)

At birth, Molly was diagnosed with a rare form of Autosomal Recessive Polycystic Kidney Disease (ARPKD).

Polycystic kidney disease (PKD) is one of the most common, life-threatening genetic diseases affecting thousands in America and millions worldwide. There is no treatment or cure. Funds raised will go toward sweet Molly Mae's medical expenses.
